What is a Walk In? Who are they? Where do they come from? Why are they here Now? How do I know if I am one? Join us for an evening of discussion on the topic of Walk-ins and its many forms. Ranoli is the past President of WE International, an organization of Walk-Ins. WE International commissioned Ranoli and Cyrah to compile the stories of 23 of its associates into a book, *WE Remember, Stories of a Spiritual Awakening*. (Available for purchase after the presentation).

"Sometimes the human part of us needs a label to help us understand something that has happened to us. Perhaps that is what the Walk-In title is - a way of explaining something extraordinary that has occurred in one's life. Regardless of how it occurred, something happened that transformed the lives of those who share in this phenomenon."

Faith Ranoli interviewed hundreds of Walk-Ins, hearing their stories, learning from their experiences and sharing their stories, wisdom, lessons and advice. She is a Metaphysical Science Minister with a Ph.D in Metaphysical Counseling, has over 30 years experience working with energy fields and helping people heal their lives spiritually. She is a graduate of the Institute of Multidimensional Healing.

Ranoli works as a Spiritual Growth & Development Coach, Intuitive Environmental Consultant and a Holistic Home Inspector. She has appeared internationally on radio and TV speaking about Holistic Home Healing and Creating Healthy Homes.

Ranoli hosts a weekly radio show on www.Healthylife.net
